Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Sunday 19 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Becoming clear and dry this evening for a settled Monday.

This Evening and Tonight:
Any cloud and rain will clear away eastwards through the early evening to leave a dry night with long clear spells. Potential for some patchy mist or fog forming overnight and feeling cooler than recent nights. Minimum temperature 6 deg C (43 deg F).

Monday:
Early mist and fog will clear through the morning to leave a fine day with plenty of sunshine. Cloud then arriving from the northwest during the evening bringing isolated showers. Maximum temperature 19 deg C (66 deg F).

Outlook for Tuesday to Thursday:
Dry with some bright spells on Tuesday. Windy from Wednesday as a band of rain crosses the region before becoming more showery on Thursday.
